INTERNSHIPS

technohacks | December 2023 - December 2023

- I have 2 to 3 months experience as intern now i am working on live project in web development with riyaity software.

PROJECTS

Education Website | April 2024 - June 2024

- In education website I was work it . To add courses in that website to add recorded videos in that website . Also whatsapp message can be also used. User can add there details then automatically message goes to the company HR

Ecommerce website | April 2024 - May 2024

-
In ecommerce website I was created a website for a shop . This is also static website . I was created only structure for ecommerce website but client does not responding then it was stop the development.
